

# One Roll Challenge

THURSDAY, APRIL 6 | EL PORTAL THEATER

PRO8MM'S ONE ROLL CHALLENGE supplied the film and the filmmakers supplied the entertainment. The tricky part was that all edits had to be made inside the camera and the work would not be seen until the live screening at AudFest! The brave first 60 entries Pro8mm received premiere at AudFest with live musical accompanists at each screening block!

## TESTING 1, 2, 3
